2. Next Week is **Winter Bowl!!** Winter Bowl is a half day of fun activities for teachers and students. Looking forward to pitting our skills against our kiddos! 😊

3. **Basketball Tryouts:** Girls basketball tryouts will take place Wednesday December 12th and Tuesday December 18th from 2:15 to 4:15. Boys tryouts are this Thursday from 2:15-4:15.

4. I wanted to take a moment to address some **issues** we had last week. Last Thursday at school after our pep rally, we had a couple of fights. These were separate incidents and were swiftly address by our staff. The kids will tell you that the message I consistently give them is this... I expect them to BE SAFE and to LEARN SOMETHING EVERYDAY. We have great kids here at Meisler, but even great kids make mistakes. We are working hard to teach those students how to get what they need without crossing the line into trouble. I appreciate the support our parents give us as we help kids navigate Middle school so they can learn the skills they need to be successful as adults. Rumors abound! So if you ever have a question, a concern or an answer 😊, please reach out to me. Thanks for allowing us the honor of working with your kids. Thanks, v.j.

Have a great week! ***Make Failure Another Opportunity for Success.***
