

Meisler Messenger 3/25-3/29

For next week! Someone told me we only have 42 days left this year. Let the countdown begin! The pressure is on to make sure our kids are ready for the next level.

1. **TESTING BEGINS APRIL 2nd** for 8th graders. We will be having Test Fest after testing is finished for students who demonstrate that they have given their best effort! Planning is underway.
2. **Girls Softball tryouts** are Monday from 2:15 to 3:30. Bring your glove!
3. Meisler's **J. D. Jammers** will be performing at the House of Blues Gospel Brunch on Sunday April 7th. Tickets can be purchased from Mrs. Beasley in room 239 if interested in attending.
4. **East Jeff High school** will be having **Dance team tryouts** coming up April 1st-4th from 3:00 to 5:00 in the gym at EJ. Tryout packets are in the front office. Due by March 28th!
5. Are your students missing anything? Please check the **lost and found** in the front office! I bet we found it!
6. **Report cards** go home on Wednesday.
7. **Dress down on Friday** to benefit our Awards program (the purchase of awards for students).
8. **PBIS reward on FRIDAY**. Freezy pops on the yard for students with no discipline referrals for the third nine weeks.
9. **Intervention** after school is underway. It is not too late to get involved and it is not too late for students to participate. If you want to participate online from home here is what you should do:
Go to **Clever** on the district website (left hand side)
Log into Clever
Go to the bottom to see Imagine learning.
You can use any of them for but I recommend the English language and literacy, and the math facts (fluency). It starts easy and gets more difficult! :D
10. It was great to see parents out last week for **conferences** on Thursday. If you were not able to join us but want to meet with teachers, please let us know! Give the office a call so we can set it up. ☺

Have a great week! v.j.

Make failure another opportunity for success.

Vicki L. Jarrell
