

## Meisler Messenger April 1-5

**Let the testing begin!** Time for our kids get to  
**Show What They Know! :)**

**TESTING BEGINS on Tuesday for 8th graders. Please read carefully for important information.**

**On Testing Days, we will be providing breakfast to the students testing. Please make sure they are at school every day and on time. This is very important. We will be meeting with each grade level before testing to help them to understand the importance of doing their best.**

**We have a *Test Fest* (FUN!) planned for students who do the following:**

- \*Come to school every day on time. (Of course if your student is ill this will not be counted against them.)**
- \*Try their hardest! Leave nothing blank.**
- \*Be respectful of themselves and others. Do not disturb the testing environment.**
- \*Persist! Spend at least 60 minutes working on the longer sections and 40 on the shorter ones.**

**Book bags will be kept at the front of the classroom where they will test. We will collect cell phones at the beginning of testing each day and return them after testing each day.**

**Our teachers and students have been working hard together. I am excited for the opportunity for our kids to Show what they know! ☺**

**In other news... :)**

1. **Starting Monday** we are blessed to have our very own SRO (**School Resource Officer!!**) This was approved mid year by Jefferson Parish and the JPSO and now all Middle schools on the east bank will have this resource. Very excited to welcome **Officers Williams and Robinson**. They will be stationed at the entrance of the school daily.

2. **Congratulations are in order!!**

a. Congratulations to our **National History Day** participants! All of our students represented us very well. MANY of them are going on to compete at the State level! Please congratulate the following students...
